

AIRMAC

NEW

**HEAVY DUTY INDUSTRIAL
AIR COMPRESSORS**

T20-120L - 3.2hp

The ideal stationary compressor for small factories and workshops where a 415 Volt, 3-phase electrical power supply isn't available. It features an oversized 120 litre tank for massive air/energy storage. And the pallet feet provide mounting stability and forklift manoeuvrability.

WORLD'S #1 BRAND
FUSHENG[®]
SINCE 1953 **COMPRESSOR PUMPS**

240 VOLT
